NEW QUESTION: 1 Which of the following is the BEST method for ensuring that security procedures and guidelines are known and understood?
A. Periodic compliance reviews
B. Periodic focus group meetings
C. Computer-based certification training (CBT)
D. Employee's signed acknowledgement
Answer: C
Explanation: Explanation/Reference: Explanation: Using computer-based training (CBT) presentations with end-of-section reviews provides feedback on how well users understand what has been presented. Periodic compliance reviews are a good tool to identify problem areas but do not ensure that procedures are known or understood. Focus groups may or may not provide meaningful detail. Although a signed employee acknowledgement is good, it does not indicate whether the material has been read and/or understood.
