NEW QUESTION: 1 Which component of the human resource management plan describes when and how project team members are acquired and how long they will be needed?
A. Project organizational chart
B. Scope management plan
C. Resource breakdown structure
D. Staffing management plan
Answer: D
Explanation: Explanation/Reference: Explanation: Staffing management plan. The staffing management plan is a component of the human resource management plan that describes when and how project team members will be acquired and how long they will be needed. It describes how human resource requirements will be met. The staffing management plan can be formal or informal, highly detailed, or broadly framed, depending upon the needs of the project. The plan is updated continually during the project to direct ongoing team member acquisition and development actions.
