Explanation: Conferences represent an important method of exchanging information between researchers who are usually experts in their respective fields. Together with webinars and training to remain current on the subject the manager will be able to gain valuable insight into the cyber defense industry and be able to recruit personnel. Incorrect Answers: A: Merely interviewing candidates and hiring a staffing company will not provide the human resources

manager with the necessary insight into a new cyber defense division for the company.B: Interviewing the employees and managers to pick up on hot, new trends is not the best possible way to gain the appropriate insight.C: It is not guaranteed that the existing staff would be on top of new developments that would make them in tune with the new division that is being envisaged by the company. It would be best to gain insight from more knowledgeable sources such as conferences, etc.References:Gregg, Michael, and Billy Haines, CASP CompTIA Advanced Security Practitioner Study Guide, John Wiley & Sons, Indianapolis, 2012, p. 293
