A. Acts as a one-time service **B.** Helps employers identify the OSHA standards that apply to their workplace **C.** Fines employers for violating OSHA safety standards **D.** Does not require compliance with OSHA standards **Answer: B**
Explanation: Explanation/Reference: Answer option A is correct. OSHA consultants provide free services to assist employers in identifying workplace hazards and the standards that apply in their workplaces. The consulting service requires employers to abate any hazards that are identified during the consultation but does not fine them for violations. To receive a free consultation, employers must agree to advise OSHA of changes in operating processes that may require additional consultations. See Chapter 8 for more information.
