NEW QUESTION: 3Company Background Corporate Information
Contoso provides managed services to medium-sized companies. Contoso has one office located in Seattle. The company has 100 full-time employees. Existing Environment Existing Licensing Solution
Contoso purchases OEM licenses for operating systems and uses an Open License agreement to purchase licenses for Microsoft Office. Business Requirements Planned Changes
Contoso expects to hire an additional 150 full-time employees this year. The company hires additional temporary employees for large projects. The company leases desktops for each temporary employee. The desktops are returned at the end of the project. In the next six months, Contoso plans to upgrade its servers from Windows Server 2003 to Windows Server 2008. Contoso plans to add an additional physical server that runs Windows Server 2008 and Hyper-V. The new physical server will host four virtual instances. The four virtual instances will also run Windows Server 2008. Problem Statements
Contoso has difficulty tracking license purchases because a new license authorization number is opened for each new purchase. Business Goals
Contoso has the following business goals:
Standardize the desktop applications across the organization
Use single product key for the installation of desktop applications
Allow internal users to access internal company documents by using a Web browser
Allow all users to create forms by using Microsoft Office InfoPath
Store all forms in a central repository.
