NEW QUESTION: 1Which of the following options will you use to make all the changes made to the document visible inline in the document?**A.** Track Changes**B.** Balloons**C.** Comment**D.** Sort comments**Answer: B****Explanation:**Balloons are used to display deletions, comments, formatting changes, and the content that has been moved. By default, balloons are used to display all the changes that are made while reviewing a document. If you want to see all the changes inline, you can change settings so that tracked changes and comments display in the desired way. Answer option C is incorrect. Comment is used to let the creator know what other person thinks of the document. Answer option B is incorrect. The Track Changes option is used to view all the changes done by the reviewer(s). Answer option A is incorrect. It is not a valid option to make all the changes made to the document visible inline in the document. Reference: Chapter: ADVANCED WORD PROCESSING Objective: Collaborative Editing

NEW QUESTION: 2You have 30 servers that run Windows Server 2012 R2. All of the servers are backed up daily by using Windows Azure Online Backup.
