A. Program standards
B. Process analysis
C. Program governance
D. Organizational process assets
Answer: C

NEW QUESTION: 3 Which of the following options from the Batch dialog box needs to be deselected in order to save the files processed by the Batch command in the location specified in the Batch dialog box?
A. Include All Subfolders
B. Override Action "Open" Commands
C. Suppress File Open Options Dialogs
D. Override Action "Save As" Commands
Answer: D
Explanation: Explanation/Reference: When you use the Batch command, select Override Action "Save As" Commands if you want to use the Save As instructions from the Batch command instead of the Save As instructions in the action. Answer option D is incorrect. When you use the Batch command, select Override Action "Open" Commands. Any Open commands in the action will then operate on the batched files rather than the files specified by name in the action. Answer option C is incorrect. To prevent the display of the Camera Raw dialog box as each camera raw image is processed, select Suppress File Open Options Dialogs while using the Batch command. Answer option B is incorrect. Include All Subfolders is not used to save the files. Reference: http://helpx.adobe.com/pdf/bridge_reference.pdf
