NEW QUESTION: 1The DevOps engineer should copy users and groups from an existing environment to another one. Except for the "admin" user" What first action should be taken to build the user package?**A.** Run the query `"/jcr.root/home/user/element(*rep.User)(@rep:username=*admin)"`**B.** Add a exclude pattern

from "/home/users/admin". Add a filter for "/home/user/admin".
D. Run the query "/cr.root/home/users//element/'rep/user')(@rep.principleName='admin".
Answer: C

NEW QUESTION: 2 You are migrating an existing solution to Azure. The solution includes a user interface tier and a database tier. The user interface tier runs on multiple virtual machines (VMs). The user interface tier has a website that uses Node.js. The user interface tier has a background process that uses Python. This background process runs as a scheduled job. The user interface tier is updated frequently. The database tier uses a self-hosted MySQL database. The user interface tier requires up to 25 CPU cores. You must be able to revert the user interface tier to a previous version if updates to the website cause technical problems. The database requires up to 50 GB of memory. The database must run in a single VM. You need to deploy the solution to Azure. What should you do first?
A. Deploy the entire solution to an Azure website. Use a web job that runs continuously to host the database.
B. Deploy the database to a VM that runs Windows Server on the Standard tier.
C. Deploy the user interface tier to a VM. Use multiple availability sets to continuously deploy updates from Microsoft Visual Studio Online.
D. Deploy the entire solution to an Azure website. Run the database by using the Azure data management services.
Answer: D

NEW QUESTION: 3 When using a risk assessment model to develop audit plans, it is essential that the chief audit executive take into account the:
A. Dates of future board meetings.
B. Recent or expected changes in management direction and objectives.
C. Results of the last audit.
D. Planned visits by the external auditors during the upcoming year.
Answer: B
