NEW QUESTION: 2A technician has been called in to troubleshoot a connectivity issue. The user reports an inability to connect to any resources. The technician runs the ipconfig command, and the results show that the media is disconnected. The technician checks the network cable, and it is secure on both ends. The technician tests and verifies the cable is working, and then goes to the wiring closet and verifies the switchport and patch cable both work. However, there are wires pulled out of the patch panel. Which of the following tools should the technician use to BEST resolve the problem?**A.** Punchdown tool**B.** Tone generator**C.** Wire strippers**D.** Crimper**Answer: A**

NEW QUESTION: 3Which of the following controls most likely would be effective in offsetting the tendency of sales personnel to maximize sales volume at the expense of high bad debt write-offs?**A.** Employees responsible for authorizing sales and bad debt write-offs are denied access to cash.**B.** Employees involved in the credit-granting function are separated from the sales function.**C.** Subsidiary accounts receivable records are reconciled to the control account by an employee independent of the authorization of credit.**D.** Shipping documents and sales invoices are matched by an employee who does not have authority to write off bad debts.**Answer: B**Explanation:Explanation/Reference:Explanation:Choice "C" is correct. Sales personnel will have a tendency to maximize sales volume by selling to customers that may not be creditworthy, thereby resulting in high bad debt write-offs. To prevent sales to customers that may not be creditworthy, employees involved in the credit-granting function are separated from the sales function.Choice "A" is incorrect. Employees responsible for authorizing sales and bad debt write-offs should be denied access to cash to prevent the embezzlement of cash, not to prevent them from maximizing sales volume at the expense of high bad debt write-offs. Choice "B" is incorrect. This control does not affect the sales department or the tendency to maximize sales volume at the expense of high bad debt write-offs.Choice "D" is incorrect. This control does not affect the sales department or the tendency to maximize sales volume at the expense of high bad debt write-offs.
