NEW QUESTION: 1HOTSPOTYou have the following code (line numbers are included for reference only):To answer, complete each statement according to the information presented in the code.Hot Area:**Answer:** Explanation:

NEW QUESTION: 2Which choice below would NOT be a common element of a transaction trail?
A. Why the transaction was processed
B. Who processed the transaction
C. At which terminal the transaction was processed
D. The date and time of the transaction
Answer: A Explanation: Why the transaction was processed is not initially a concern of the audit log, but we will investigate it later. The other three elements are all important information that the audit log of the transaction should record.
