**NEW QUESTION: 2** Please wait while the virtual machine loads. Once loaded, you may proceed to the lab section. This may take a few minutes, and the wait time will not be deducted from your overall test time. When the Next button is available, click it to access the lab section. In this section, you will perform a set of tasks in a live environment. While most functionality will be available to you as it would be in a live environment, some functionality (e.g., copy and paste, ability to navigate to external websites) will not be possible by design. Scoring is based on the outcome of performing the tasks stated in the lab. In other words, it doesn't matter how you accomplish the task, if you successfully perform it, you will earn credit for that task. Labs are not

timed separately, and this exam may more than one lab that you must complete. You can use as much time as you would like to complete each lab. But, you should manage your time appropriately to ensure that you are able to complete the lab(s) and all other sections of the exam in the time provided. Please note that once you submit your work by clicking the Next button within a lab, you will NOT be able to return to the lab. Username and password Use the following login credentials as needed: To enter your password, place your cursor in the Enter password box and click on the password below. Username: Contoso/Administrator Password: Passw0rd! The following information is for technical support purposes only: Lab Instance: 11145882 Users who attempt to sign in to the domain from Client3 report that the sign-ins fail. You need to resolve the issue. To complete this task, sign in to the required computer or computers. **Answer:** Explanation: See explanation below. \* Use a local administrator account to log on to the computer. \* Select Start, press and hold (or right-click) Computer > Properties. \* Select Change settings next to the computer name. \* On the Computer Name tab, select Change. \* Under the Member of heading, select Workgroup, type a workgroup name, and then select OK. \* When you are prompted to restart the computer, select OK. \* On the Computer Name tab, select Change again. \* Under the Member of heading, select Domain, and then type the domain name. \* Select OK, and then type the credentials of the user who has permissions in the domain. \* When you are prompted to restart the computer, select OK. \* Restart the computer.
