NEW QUESTION: 1 To achieve effective strategic alignment of security initiatives, it is important that:**A.** The business strategy be updated periodically.**B.** Inputs be obtained and consensus achieved between the major organizational units.**C.** Steering committee leadership be selected by rotation.**D.** Procedures and standards be approved by all departmental heads.**Answer: B**
Explanation: Explanation It is important to achieve consensus on risks and controls, and obtain inputs from various organizational entities since security needs to be aligned to the needs of the organization. Rotation of steering committee leadership does not help in achieving strategic alignment. Updating business strategy does not lead to strategic alignment of security initiatives. Procedures and standards need not be approved by all departmental heads
