NEW QUESTION: 1 Which of the following options will you use to make all the changes made to the document visible inline in the document?
A. Track Changes **B.** Sort comments **C.** Comment **D.** Balloons
Answer: D
Explanation: Balloons are used to display deletions, comments, formatting changes, and the content that has been moved. By default, balloons are used to display all the changes that are made while reviewing a document. If you want to see all the changes inline, you can change settings so that tracked changes and comments display in the desired way. Answer option C is incorrect. Comment is used to let the creator know what other person thinks of the document. Answer option B is incorrect. The Track Changes option is used to view all the changes done by the reviewer(s). Answer option A is incorrect. It is not a valid option to make all the changes made to the document visible inline in the document.
