Related Posts[0-9](16)\$**C.** "1234-5678"**D.** "04\*"**Answer: B**

**NEW QUESTION: 2**A multinational organization operating in fifteen countries is considering implementing an information security program. Which factor will MOST influence the design of the Information security program?**A.** IT security skills**B.** Cultures of the different countries**C.** Representation by regional business leaders**D.** Composition of the board**Answer: B**  
Explanation:Explanation/Reference:Explanation:Culture has a significant impact on how information security will be implemented. Representation by regional business leaders may not have a major influence unless it concerns cultural issues. Composition of the board may not have a significant impact compared to cultural issues. IT security skills are not as key or high impact in designing a multinational information security program as would be cultural issues.

**NEW QUESTION: 3**
