NEW QUESTION: 1 A companywide training session for a large firm will involve a number of film presentations, but participants-every employee of the firm-will not be expected to interact with one another. What type of seating would be most effective for this training session?**A.** Classroom**B.** Banquet**C.** Chevron**D.** Theater**Answer: D****Explanation:** Theater style seating accommodates the largest number of people and also works well for various presentations. Classroom style seating is best if the employees will simply be facing the front of a room and listening to a speaker. Chevron style seating is best for a combination of activities that include video presentations and group interaction. Banquet style seating, in which groups of employees will be arranged at tables, is best for a training session with small group activities.
