For reasons of space I have missed out some of the details.

NEW QUESTION: 1View the Exhibit and examine the structure of the EMPLOYEES table.
Examine the data in the ENAME and HIREDATE columns of the EMPLOYEES table: ENAME HIREDATESMITH 17-DEC-80 ALLEN 20-FEB-81 WARD 22-FEB-81
You want to generate a list of user IDs as follows: USERIDSmi17DEC80All20FEB81War22FEB81
You issue the following query: SQL>SELECT CONCAT(SUBSTR(INITCAP(ename),1,3), REPLACE(hiredate,'-')) "USERID"FROM employees;What is the outcome?**A.** It generates an error because the SUBSTR function cannot be nested in the CONCAT function.**B.** It generates an error because the REPLACE function is not valid.**C.** It executes successfully but does not give the correct output.**D.** It executes successfully and gives the correct output.**Answer: D**
Explanation:REPLACE(text, search_string,replacement_string) Searches a text expression for a character string and, if found, replaces it with a specified replacement string
The REPLACE Function The REPLACE function replaces all occurrences of a search item in a source string with a replacement term and returns the modified source string. If the length of the replacement term is different from that of the search item, then the lengths of the returned and source strings will be different. If the search string is not found, the source string is returned unchanged. Numeric and date literals and expressions are evaluated before being implicitly cast as characters when they occur as parameters to the REPLACE function. The REPLACE function takes three parameters, with the first two being mandatory. Its syntax is REPLACE (source string, search item, [replacement term]). If the replacement term parameter is omitted, each occurrence of the search item is removed from the source string. In other words, the search item is replaced by an empty string. . The following queries illustrate the REPLACE function with numeric and date expressions: Query 1: select replace(10000-3,'9','85') from dual Query 2: select replace(sysdate, 'DEC','NOV') from dual

NEW QUESTION: 2All of the following are objectives of not-for-profit organizations except one. Which ONE is the exception?**A.** Maximization of financial surpluses**B.** Serving the public interest effectively**C.** Efficient use of physical and human resources**D.** Value for money**Answer: A**
