**NEW QUESTION: 3** Which of the following processes is in the Initiating process group?  
**A.** Develop preliminary scope statement  
**B.** Activity Definition  
**C.** Develop project management plan  
**D.** Scope Definition  
**Answer: A**  
Explanation: It's pretty easy to remember which processes are in the Initiating group, because there are only two of them! But more importantly, it's useful to know what you need to do when you initiate a project. First the project charter needs to be created, which authorizes the project manager to do the work. And then you need to develop the preliminary scope statement, which gives an initial overview of the work that needs to be done so that you can start planning.
