**NEW QUESTION: 1** Project managers have the highest level of authority and the most power in which type of organizational structure? **A.** Strong matrix **B.** Functional **C.** Balanced matrix **D.** Projectized  
**Answer: D**  
**Explanation:** Project managers have the highest level of power and authority in a projectized organization. They also have high levels of power and authority in a strong matrix. However, a matrix organization is a blend of functional and projectized organizations. Therefore, the project manager does not have quite the same level of authority as they would in a projectized organization.
