NEW QUESTION: 1 Which of the following union security clauses requires that all employees join the union within a grace period specified by the contract?
A. Agency shop clause
B. Closed shop clause
C. Union shop clause
D. Maintenance of membership clause
Answer: C
Explanation: Answer option C is correct. The union shop clause requires that all employees join the union within a grace period specified by the contract. Answer option A is incorrect. The agency shop clause specifies that all employees must either join the union or pay union dues if they choose not to join the union. Answer option B is incorrect. The maintenance of membership clause allows employees to choose whether to join the union, but once they join, they must remain members until the expiration of the contract. Answer option D is incorrect. The closed shop clause requires that all new hires be members of the union before they are hired. Chapter: Employee and Labor Relations Objective: Union Organization
