NEW QUESTION: 1A. Option DB. Option CC. Option AD. Option B Answer: C

NEW QUESTION: 2SQL > @utlrp.sql A. Option EB. Option DC. Option FD. Option AE. Option CF. Option B Answer: A, E Explanation: utlrp.sql and utlprp.sql The utlrp.sql and utlprp.sql scripts are provided by Oracle to recompile all invalid objects in the database. They are typically run after major database changes such as upgrades or patches. They are located in the \$ORACLE_HOME/rdbms/admin directory and provide a wrapper on the UTL_RECOMP package. The utlrp.sql script simply calls the utlprp.sql script with a command line parameter of "0". The utlprp.sql accepts a single integer parameter that indicates the level of parallelism as follows. 0 - The level of parallelism is derived based on the CPU_COUNT parameter. 1 - The recompilation is run serially, one object at a time. N - The recompilation is run in parallel with "N" number of threads. Both scripts must be run as the SYS user, or another user with SYSDBA, to work correctly. Reference: Recompiling Invalid Schema Objects

NEW QUESTION: 3DRAG DROP* Test* Production Answer: Explanation: Box 1: Box 2: Box 3: Explanation: We need to add references to the Test and Production environments to the project. Then we can map the variables in the project to the environment variables defined in the environments. When you execute a package in a project that references multiple environments (Test and Production in this case), we can select which environment the package runs under.

NEW QUESTION: 4CORRECT TEXT Fill in the blank with the appropriate term. A _____ is a block of data that a Web server stores on the client computer. Answer:

Explanation:cookieExplanation:Cookie is a block of data, which a Web server stores on the client computer. If no expiration date is set for the cookie, it expires when the browser closes. If the expiration date is set for a future date, the cookie will be stored on the client's disk after the session ends. If the expiration date is set for a past date, the cookie is deleted.Topic 2, Volume B
