Explanation:A, B

**NEW QUESTION: 2**Bottom-to-top communication techniques include all the following except:  
**A.** Employee satisfaction surveys.**B.** Quality circles.**C.** Performance reviews.**D.** Employee suggestion boxes.**Answer: C**

**NEW QUESTION: 3**In this section, you will see one or more sets of questions with the same scenario and problem. Each question presents a unique solution to the problem, and you must determine whether the solution meets the stated goals. Any of the solutions might solve the problem. It is also possible that none of the solutions solve the problem. Once you answer a question in this section, you will NOT be able to return to it. As a result, these questions will not appear in the review screen. Note: This question is part of a series of questions that present the same scenario. Each question in the series contains a unique solution. Determine whether the solution meets the stated goals. You need to display the values for the Document Status and Department properties. You create a term set and Managed Metadata column. Does the solution meet the goal?  
**A. No****B. Yes****Answer: B**  
Explanation: Explanation: The requirement is to change the values of metadata field settings from a single location and changes to the settings should be applied to all the site collections and existing documents. So Term Set and Managed Metadata column is the preferred way to implement the Document Status and Department properties.
