A. issuers of federal covered securities to submit only a notice filing with the Administrator of states in which the securities will be offered for sale.
B. securities that do not fall within the category of federal covered securities to be registered simultaneously with the SEC and with the states in which the securities will be offered for sale.
C. federal covered securities to be registered simultaneously with the SEC and with the states in which the securities will be offered for sale.
D. both state-registered and out-of-state investment bankers to participate in the underwriting and registration of a new security issue.
Answer: B
Explanation: Under the 2002 Uniform Securities Act, registration by coordination allows securities that are not federal covered securities to be registered simultaneously with the SEC and with the states in which the securities will be offered for sale. Federal covered securities are exempt from state registration and are required to submit only a notice filing with the Administrator of the state. This is not the same as registration by coordination.
