NEW QUESTION: 4 For each of the following statements, select Yes if the statement is true.

Otherwise, select No. NOTE: Each correct selection is worth one point. **Answer:** Explanation: Explanation: Box 1: Yes Most services go to private preview then public preview before being released to general availability. The private preview is only available to certain Azure customers for evaluation purposes. The public preview is available to all Azure customers. Box 2: No Azure services in public preview can be managed using the regular management tools: Azure Portal, Azure CLI and PowerShell. Box 3: No Services in private or public preview are usually offered at reduced costs. However, the costs increase, not decrease when the services are released to general availability.
