NEW QUESTION: 1Which of the following is the MOST likely to change an organization's culture to one that is more security conscious?**A.** Security steering committees**B.** Adequate security policies and procedures**C.** Periodic compliance reviews**D.** Security awareness campaigns
Answer: D
Explanation:ExplanationSecurity awareness campaigns will be more effective at changing an organizational culture than the creation of steering committees and security policies and procedures. Compliance reviews are helpful; however, awareness by all staff is more effective because compliance reviews are focused on certain areas groups and do not necessarily educate.
