**NEW QUESTION: 1**You are pursuing an opportunity to sell an Aruba location-based service solution to a customer. The customer is also considering a Cisco location-based solution. What should you explain to distinguish the Aruba solution?**A.** Aruba offers PoE for beacons to make them easier to install and manage while Cisco beacons only support external power supplies.**B.** Aruba delivers an already complete mobile application tailored to the customer vertical while Cisco forces customers to create their own applications.**C.** The Aruba solution can use cost-effective and easy-to-deploy battery-powered beacons or leverage beacons built into existing Aruba Aps while Cisco forces customers to rip and replace existing Aps for location services support.**D.** Aruba beacons fully pair with users' devices for a more complete and effective solution while Cisco beacons do not establish a full pair.**Answer: C**

**NEW QUESTION: 2****Answer:** Explanation:

**NEW QUESTION: 3**When creating a TCP tunnel service in explicit mode, you must also configure a forwarding host?**A.** True**B.** False**Answer: A**

**NEW QUESTION: 4**The main purpose of this story is to appeal to the reader's interest in a subject which has been the theme of some of the greatest writers, living and dead--but which has never been, and can never be, exhausted, because it is a subject eternally interesting to all mankind. Here is one more book that depicts the struggle of a human creature, under those opposing influences of Good and Evil, which we have all felt, which we have all known. It has been my aim to make the character of "Magdalen," which personifies this struggle, a pathetic character even in its perversity and its error; and I have tried hard to attain this result by the least obtrusive and the least artificial of all means--by a resolute adherence throughout to the truth as it is in Nature. This design was no easy one to accomplish; and it has been a great encouragement to me (during the publication of my story in its periodical form) to know, on the authority of many readers, that the object which I had proposed to myself, I might, in some degree, consider as an object achieved. Round the central figure in the narrative other characters will be found grouped, in sharp contrast--contrast, for the most part, in which I have endeavored to make the element of humor mainly predominant. I have sought to impart this relief to the more serious passages in the book, not only because I believe myself to be justified

in doing so by the laws of Art--but because experience has taught me (what the experience of my readers will doubtless confirm) that there is no such moral phenomenon as unmixed tragedy to be found in the world around us. Look where we may, the dark threads and the light cross each other perpetually in the texture of human life. Which selection best identifies the device used in the phrase "the dark threads and the light cross each other perpetually in the texture of human life" at the end of 3rd paragraph **A.** allegory **B.** allusion **C.** alliteration **D.** simile **E.** metaphor **Answer: E** Explanation: The phrase, "the dark threads and the light cross each other perpetually in the texture of human life" is a metaphor for the mixing and intertwining of Good and Evil across the impure lines as they present themselves through Nature.
