NEW QUESTION: 1 Project managers have the highest level of authority and the most power in which type of organizational structure? **A.** Balanced matrix **B.** Strong matrix **C.** Functional **D.** Projectized **Answer: D**
Explanation: Project managers have the highest level of power and authority in a projectized organization. They also have high levels of power and authority in a strong matrix. However, a matrix organization is a blend of functional and projectized organizations. Therefore, the project manager does not have quite the same level of authority as they would in a projectized organization.
