NEW QUESTION: 3SCENARIOPlease use the following to answer the next question:The fitness company Vigotron has recently developed a new app called M-Health, which it wants to market on its website as a free download. Vigotron's marketing manager asks his assistant Emily to create a webpage that describes the app and specifies the terms of use. Emily, who is new at Vigotron, is excited about this task. At her previous job she took a data protection class, and though the details are a little hazy, she recognizes that Vigotron is going to need to obtain user consent for use of the app in some cases. Emily sketches out the following draft, trying to cover as much as possible before sending it to Vigotron's legal department.
Registration Form
Vigotron's new M-Health app makes it easy for you to monitor a variety of health-related activities, including diet, exercise, and sleep patterns. M-Health relies on your smartphone settings (along with other third-party apps you may already have) to collect data about all of these important lifestyle elements, and provide the information necessary for you to enrich your quality of life. (Please click here to read a full description of the services that M-Health provides.) Vigotron values your privacy. The M-Health app allows you to decide which information is stored in it, and which apps can access your data. When your device is locked with a passcode, all of your health and fitness data is encrypted with your passcode. You can back up data stored in the Health app to Vigotron's cloud provider, Stratculous. (Read more about Stratculous here.) Vigotron will never trade, rent or sell personal information gathered from the M-Health app. Furthermore, we will not provide a customer's name, email address or any other information gathered from the app to any third-party without a customer's consent, unless ordered by a court, directed by a subpoena, or to enforce the manufacturer's legal rights or protect its business or property. We are happy to offer the M-Health app free of charge. If you want to download and use it, we ask that you first complete this registration form. (Please note that use of the M-Health app is restricted to adults aged 16 or older, unless parental consent has been given to minors intending to use it.) First name:Surname:Year of birth:Email:Physical Address (optional*):Health status:*If you are interested in receiving newsletters about our products and services that we think may be of interest to you, please include your physical

address. If you decide later that you do not wish to receive these newsletters, you can unsubscribe by sending an email to [\[email#160;protected\]](#) or send a letter with your request to the address listed at the bottom of this page. Terms and Conditions 1. Jurisdiction. [...] 2. Applicable law. [...] 3. Limitation of liability. [...] Consent By completing this registration form, you attest that you are at least 16 years of age, and that you consent to the processing of your personal data by Vigotron for the purpose of using the M-Health app. Although you are entitled to opt out of any advertising or marketing, you agree that Vigotron may contact you or provide you with any required notices, agreements, or other information concerning the services by email or other electronic means. You also agree that the Company may send automated emails with alerts regarding any problems with the M-Health app that may affect your well being. What is one potential problem Vigotron's age policy might encounter under the GDPR? **A.** Users are only required to be aged 13 or over to be considered adults. **B.** Organizations that tie a service to marketing must seek consent for each purpose. **C.** Organizations must make reasonable efforts to verify parental consent. **D.** Age restrictions are more stringent when health data is involved. **Answer: D**
